

Learning Heroes Kids Safety School

Learning Heroes Kids Safety School contains a thematic, educational videos and digital coloring book. This is the third of a series of **Learning Heroes Kids** applications. In addition to the fun, the application teaches to follow basic safety precautions. Zetka, Zigzak and Super Mom- videos hereoes show kids how to stay safe at school. They explain the very important safety rules through movie scenes without speech and text. In this a nice, simple way children acquire knowledge about these rules and may be used in their daily lifes.

Safe at school

Learning Heroes Kids Safety School in four short movies prepared by experienced teachers and experts shows how to stay safe at school. Kids learn how dangerous it is running in the school hallways and stairs. The application shows that such behavior can cause accidents. **LH Kids Safety School** teaches the use scissors carefully so as not to injure yourself or others. The application warns children against strangers on the street. **LH Kids Safety School** informs them that they shouldn't talk to them. Each film is accompanied by a template to paint, which presents and memorizes basic safety rules.
